Domingo, 11 de junio: Alzira-Algemesí • 5K

www.riberaturisme.es/descens-del-xuquer

JUNE 10th 2023

ROUTE:

SUMACÀRCER (Esgoletja Island) - ANTELLA (Weir of Antella)

Schedule: 10:30 - 13:00

JUNE 11th 2023

ROUTE:

ALZIRA (Iron Bridge) - ALGEMESÍ (Canoe Hangar)

Schedule: 11:30 - 13:00

POPULAR MODALITY RULES (NON-COMPETITIVE)

GENERAL CONDITIONS

1. To participate in the popular modality it is essential **to be able to swim**.
2. All participants **must have previously registered** within the deadline established by the organisation
3. There will be two ways to participate:
 - a. With the **material** (kayak/SUP, paddles, vest and helmet) **provided by the management company**, which must be returned in perfect condition to the checkpoint upon arrival at the finish line. The helmet will only be supplied for the Sumacarcer-Antella route.
 - b. With each one's **own material** (kayak / SUP, paddles, vest and helmet, if applicable) provided by the participant.
4. All participants must wear a life jacket as well as an identification number that will be provided by the management company. In the case of descent from Sumacarcer to Antella it is **mandatory** to wear sneakers or boots and helmet.
5. All vessels shall be fitted with a buoyancy system. Inflatable kayaks must comply with ISO 6185. Participation with inflatable rafts or any other floating device that does not comply with the regulations will not be allowed.
6. Each participant must have a minimum physical and mental condition, as well as a minimum technical mastery of the vessel.
7. The consumption of alcoholic beverages and/or any substances is totally prohibited during the development of the race, as well as taking them on boats. The organisation reserves the right to cancel the activity of the participant or participants who do not meet these requirements.
8. The **minimum age** to participate in the event will be 12 years old at the time of the activity. If you have a valid federative canoeing licence, you may participate even if you do not fulfil this minimum age requirement. All children under 16 must be accompanied by an adult. Minors must bring a signed authorization from their parents or guardians.
9. The management company has contracted a civil liability and accident insurance policy for all those taking part in the Descent, subject to prior registration.
10. Participants must heed the recommendations of the organisers' security personnel, so any participant ignoring any of their indications or behaving negligently shall be expelled from the race.

11. In case of abandonment or boat loss, participants must remain close to the river bank, in a visible place, until the members of the Organisation can locate it.
12. The use of sun protection is recommended, as well as a drink for hydration along the route.
13. As this is a recreational and non-competitive activity, no times or results will be scored.
14. To confirm each participant's **registration** (up to a total of 130 people) it will be necessary to have previously filled in an online form on the website provided for this purpose, and to make a deposit prior to the activity:
 - **Over 16 years old: 12 euros.**
 - **Between 12 to 16 years old, both included: 8 euros.**
 - **Participants who bring their own material: 7 euros.**
15. Registration is scheduled to start in May 2023 and will be publicised on the social networks Facebook and Instagram of Riberaturisme and the Alzira Town Council. The registration deadline will expire on 31st May at 23:59 pm, or even earlier, if the maximum number of participants has already been reached.
16. Cancelling will be allowed, with a full money refund of the amount paid when registering, provided that it has been requested by e-mail by 26th May. After this date the registration fee will not be refunded.
17. A change of participant, in the event of a cancellation, will be permitted until the closing date for entries before 31st May, but not a refund of the entry fee.
18. For hygienic-sanitary reasons, all participants must wear a T-shirt during the entire race, over which the life-jacket will be placed. It is strictly forbidden to take part in the event without wearing this garment during the activity.
19. In the case of the Popular Descent Sumacarcer-Antella, it will start at 10:30 a.m. on Saturday 10th June, and the registered participants must be at the meeting point **at 9 a.m., 90 minutes before the race starts.**
20. In the case of the Alzira-Algemesí Popular Descent, it will start at 11:30 a.m. on Sunday 11th June, and all registered participants must be at the Iron Bridge of Alzira **at 10 a.m, 90 minutes before the start of the race.**

- 21.** The starting order in both races will be determined by the Organization with the main objective of avoiding traffic jams or safety problems during the first kilometres.
- 22.** The Organization will provide a free shuttle bus service, from the start and to the finish point, to transfer participants and accompanying people, in order to recover the vehicles they have used to come to the event.
- 23.** The Organization has provided a refreshment point with water and fruit for participants on their arrival at Antella and Algemés hangars.
- 24.** If for any reason, weather, river flow or any other, the normal development of the race, as well as the security measures, could not be guaranteed, the Organization will take the corresponding measures, communicating participants in advance. In case of cancelling the activity, the registration fee will be refunded.
- 25.** The Organization of this event won't be responsible for any damage that participants may suffer due to negligent behaviour during the event.
- 26.** This event will be taking place in a natural environment and, therefore, the risks cannot be fully controlled by the Organisation.
- 27.** The natural environment in which the event takes place must be respected at every moment, trying not to dump any rubbish or waste along the route. The Organisers will provide points to dump such waste and will facilitate the relevant actions so that participants can leave the river clean after their staying. Any personal belongings (glasses, cameras, mobile phones, keys, etc.) carried in the kayaks must float or be securely attached to the kayaks.
- 28.** Participants must be responsible for their own clothes or arrive at the reception point already dressed for the activity (swimming costume, T-shirt and water shoes).
- 29.** Failure to show -up on the day of the race and subsequent non-participation will not entitle any participant to an entry-fee refund.
- 30.** Participation in this event implies compliance with these regulations.

CONDITIONS TO BE FULFILLED BY PARTICIPANTS

BRINGING THEIR OWN MATERIAL

In addition to the general conditions described above, they must specifically comply with these as well:

- 1.** The boats they participate with can be single or double self-bailing kayaks, which comply with the ISO 6185 standard, or Paddle Surf. This condition is compulsory.
- 2.** In addition to the boat and paddle, participants bringing their own material must carry their own life jackets.
- 3.** Wearing a helmet is compulsory in the Descent from Sumacarcer to Antella. Helmets approved for canoeing, mountain biking, cycling or similar may be used, as long as they have a chin strap.
- 4.** Cleaning and disinfecting the vessel before and after the boat race is compulsory, in order to prevent the spread of invasive species such as zebra mussels and to avoid environmental pollution problems. They should contact the management company, which will provide them with the means to do so.
